POLICIES

SECTION 2.

Cooperation With National Movements

Clause 1. With the consent of the local council, members of the Boy Scouts of America may cooperate with established nonpartisan and nonsectarian national movements for the relief of humanity in undertakings to raise money by giving personal service, provided, however, that this shall not involve the use of BSA youth members as collectors or solicitors of money.

Participation in Public Functions

Clause 2. The officers and leaders of the Boy Scouts of America shall, when practicable, cooperate in connection with civic or other public gatherings of a nonpartisan and nonpolitical character in a way which gives youth members an opportunity to render service in harmony with their training instead of merely taking part in parades or making a show of themselves in their uniforms.

Unit Money-Earning Projects

Clause 3. Units may conduct money-earning projects only when the projects have been approved by the chartered organization and the local council and are consistent with the principles set forth in these Rules and Regulations.

Scouting Public Display Activities

Clause 4. Local councils may approve the sale of tickets for the public display of Scouting activities, such as merit badge shows, circuses, rallies, and demonstrations, when (a) the nature of the program or function offers a value commensurate with the purchasing price of tickets offered for sale, (b) the sale of tickets is not used as an indirect method of defeating the purpose of article IX, section 2, clause 7 of these Rules and Regulations, and (c) the participation of youth members in the sale of tickets for such affairs is confined to their parents and friends and does not involve methods similar to those used in the sale of tags or other general solicitation.

Advertising Policy

Clause 5. Advertisements.

(a) Advertisements for placement in Scouting publications and other media, in addition to meeting the standards in general use by publishers of high-grade periodicals and other advertising media, must:

- (1) Relate to a service or product which could reasonably be foreseen to render some service to the audience of the advertisement, or relate in some way to the purposes of the Boy Scouts of America, and
- (2) Merit the purchase price of the article or service offered in the advertisement.

(b) No advertisement will use or display any logo, insignia, terms in common usage, or descriptive marks relating to Scouting without conforming to all currently accepted procedures and guidelines as established by the National Council, Boy Scouts of America, and interpreted in the local council policy guidelines for advertising and commercialism.

Policy Concerning Political Questions

Clause 6. The Boy Scouts of America shall not, through its governing body or through any of its officers, its chartered councils,

or members, involve the Scouting movement in any question of a political character. However, this shall not be interpreted to prevent the teaching of ideals of patriotism and good citizenship as required to fulfill the Corporation's purpose. This policy shall also not limit the freedom of thought or action of any official or member as an individual, nor shall it prevent the organization from expressing its opinion upon matters of governmental concern when considered in its best interest by the governing body of the Boy Scouts of America.

Commercialism Policy

Clause 7. Commercial Contracts.

(a) No member of the Boy Scouts of America, chartered unit, chartered local council, or any officer or representative of the Boy Scouts of America shall have the right to enter into a contract or relationship of a commercial character directly involving or obligating the National Council, Boy Scouts of America, unless duly authorized by the national Executive Board.

(b) A local council may not enter into a contract or business relationship that uses any logo, insignia, terms in common usage, or descriptive marks relating to Scouting, unless the relationship or contract conforms to currently accepted procedures and guidelines as established by the National Council, Boy Scouts of America. The contract or relationship must avoid endorsement of any commercial product or venture.

(c) Subject to the above, chartered organizations, unit leaders, or youth members shall not be restricted from earning money to obtain their own unit equipment, provided that all approved procedures for doing so are followed, including prior approval by the governing local council.

Policy Concerning Military Training

Clause 8. In carrying out the purpose of the Scouting movement as stated herein, technical military training and drill shall not be included.

Conflict-of-Interest Policy

Clause 9. A fundamental principle of ethics is that any person who exercises discretionary authority on behalf of the Corporation may not use this authority for his or her own benefit.

It is therefore the basic policy of the Boy Scouts of America (BSA) that all Executive Board members or members of any committee thereof or officers or employees of BSA have a duty to be free from the influence of any conflicting interest when they act on behalf of BSA or represent it in negotiations or advise others in BSA with respect to dealing with third parties. They are expected to deal with suppliers, customers, contractors, and others having dealings with BSA on the sole basis of that which is in the best interest of BSA, without favor or preference to third parties based on personal considerations. To this end, the following shall be the policy of the Boy Scouts of America:

(a) No member of the Executive Board or member of any committee thereof or officer or employee of BSA shall accept from any person, directly or indirectly, whether by himself or herself or through his or her spouse or a member of his or her family or through any partner or business or professional associate, any gift, favor, service, employment or offer of employment or any other thing of value which he or she knows or has reason to believe is made or offered

to him or her with the intent to influence him or her in the performance of his or her duties as a member of the Executive Board or member of any committee thereof or officer or employee of BSA.

(b) No member of the Executive Board or member of any committee thereof or officer or employee of BSA who is a partner, officer, or employee of a partnership, firm, or corporation or who owns or controls, directly or indirectly, more than 10 percent of the stock of such corporation, shall represent, appear for, or negotiate on behalf of BSA in connection with the acquisition or sale by BSA of any interest in real or tangible or intangible personal property from or to such partnership, firm, or corporation or any purchase of services from or to such partnership, firm, or corporation.

(c) No member of the Executive Board or member of any committee thereof shall participate by discussion, voting, or by any other action taken by the Executive Board, or any committee thereof, in the enactment of or defeat of a motion in which that member has an interest as defined in paragraph (b) above. In case any such matter is discussed at any meeting where any Executive Board or committee member who has such an interest is present, the member shall promptly disclose that interest in the matter to be voted on to the chairman of the meeting. The member shall not vote on the matter and at the discretion of the disinterested members present

may be required to leave the meeting during the discussion and the voting on the matter.

(d) BSA shall not enter into any transaction with any individual or entity that is a “disqualified person” with respect to BSA under Section 4958 of the Internal Revenue Code, if such transaction would constitute an “excess benefits transaction” under that same section.

Local Council

Title to Real Estate. Except as hereafter provided in this clause with respect to incorporated local councils, the title to all real estate acquired for a unit or local council shall be vested in a bank or trust company, in trust for the use of the unit or local council in accordance with the wishes of the donors, with a provision in the deed that in the event of the dissolution of the unit or council or the revocation or lapse of its charter said trustee or trustees will, after satisfying any claims against such unit or council to which such real estate may be subject, convey said property or, if sold, pay the net proceeds of such sale to the Boy Scouts of America, which shall hold or use said property or funds for the benefit of Scouting in such locality or elsewhere if there is not suitable opportunity to use said property or funds in such locality. Any incorporated local council may hold title to real property in its own name provided its certificate or articles of incorporation expressly provide for the conveyance of such property or the net proceeds from the sale thereof to the Boy Scouts of America in the event of the dissolution of the local council or the revocation or lapse of its charter.

REGISTRATION

SECTION 3.

Local Council Registration

Clause 1. Council Charter and National Service Fees

(a) Applications for new or renewal charters stipulate a number of requirements, which must be satisfied in order to maintain the local council in good standing.

(b) An annual registration fee, known as the council charter fee and determined from time to time by the Executive Board and announced to the field, will be paid by local councils to the national office upon charter application or renewal application.

(c) An annual assessment, known as the national service fee, for which the calculation will be determined from time to time by the Executive Board and announced to the field, will be paid by the local councils to the national office. This fee will be paid during the 10-month period beginning with February and ending in November.

Unit Registration

Clause 2. There is an annual unit charter fee determined from time to time by the Executive Board and announced to the field. This fee is paid to the national office each time a unit registers or reregisters and is in addition to the individual membership registration fees. No additional unit charter or registration fees shall be imposed by a local council without the prior authorization of the National Council Executive Board.

Clause 3. Expiration of Unit Registration. The expiration of the registration of units shall normally be 12 months from the last day of the month in which the original organization of the unit was approved by the local council or, in the case of units not under local council supervision, by the Corporation.

The rights and privileges of all the members of a unit expire with the expiration of the unit registration.

Clause 4. Dropped Units. In cases where units have been dropped from the records under conditions which they could not avoid, they may have their record of continuous service reestablished by submitting evidence of continued activity and paying registration fees from the date of charter expiration.

(a) National Council members and officers and regional committee members and officers, at the end of the period for which they have been duly elected, unless registered in some other capacity.

(b) Scouters serving in council and district capacities only and members of the Scouters' Reserve, with the expiration of the council year for which they are issued. (This does not include the chartered organization representative(s)).

(c) Unit Scouters serving in unit capacities only (including chartered organization representative(s) or group of citizens, with the unit charter.

(d) Unit members, with the expiration of the registration of their respective units.

(e) Lone Cub Scouts and Lone Cub Scout friends and counselors, annually, 1 year from the date of their last registration.

(f) Lone Boy Scouts and Lone Boy Scout friends and counselors, annually, 1 year from the date of their last registration.

(g) Registered retired professional Scouters, annually, 1 year from the date of their last registration.

(h) Individuals (adult or youth members) holding an unexpired registration certificate transferring from unit to council, council to unit, or unit to unit pay a membership transfer charge. This charge applies to all transfers during the charter year, but shall not apply to Tiger Cubs becoming Cub Scouts in their affiliated pack.

Registration of Youth Members

Clause 6. Youth membership with the Boy Scouts of America requires the payment of an annual registration fee determined from time to time by the National Council Executive Board and announced to the field. No additional youth membership registration fees shall be imposed by a local council without the prior authorization of the National Council Executive Board.

Clause 7. Venturers may participate in more than one Venturing unit as well as a Boy Scout troop or Varsity Scout team with the payment of one primary registration in a Venturing unit.

Clause 8. Scouting units are small, intimate groups. In the Cub Scout and Boy Scout programs, the units are made up of even smaller groups, dens, and patrols, which often meet regularly in private homes. As long as they are faithful to Scouting's member-

ship philosophy, set forth below, it is for the units to determine on the basis of considerations such as group size or youth behavior whether to admit or to continue the membership of a youth member. It is the philosophy of the Scouting movement to welcome all boys and young people, regardless of race or ethnic background, who are willing to accept Scouting's values and meet other requirements of membership. Young people of all religious backgrounds are welcomed in Scouting, some participating in units for youths of a particular religion, and the greater majority participating in units open to members of various religious backgrounds.

Registration of Adult Members

Clause 9. There shall be an annual registration fee determined from time to time by the Executive Board and announced to the field, a portion of which is for a subscription to *Scouting* magazine for adult members. When additional names of members are added to a unit or council for a registration period of less than a year, the fee is prorated.

Clause 10. If an adult member serves in more than one capacity, only one registration fee is required.

Procedure for Registration

Clause 11. All applications shall be submitted on official forms prepared for that purpose and carrying due reference to the requirements and provisions of the Bylaws of the Boy Scouts of America.

Clause 12. The Corporation shall issue to each approved registrant a suitable certificate of membership or commission designating the applicant's official relationship to the Boy Scouts of America.

Members of the Scouter Reserve may wear the universal badge of Scouting to signify their membership.

A special badge shall be made available to veterans. Such veterans, maintaining an active registered relationship in any capacity, shall pay the regular registration fees of their class. Veterans, desiring recognition as veterans for periods of time established by the Corporation for particular recognition, must maintain active registered relationship for the required number of years, paying their annual registration fees.
